

Green, Red, and Yellow.

The Green and Yellow zones are the primary zones of interest for Sailors who are in their normal negotiating window of six to nine months from their Projected Rotation Date (PRD). The Fleet's most important warfighting positions are displayed in the Green zone.

The Yellow Zone contains positions in high demand areas or units. These jobs are for those Sailors who are reenlisting under the Guaranteed Duty program.

The Red zone contains positions that were not filled in the

normal detailing window and require a Sailor to arrive at the command almost immediately. These Sailors are coming off limited duty, returning to the Navy after a break in service or terminating shore duty early.

The SUPER JASS system continues to change in response to customer feedback from Sailors, commands and the Manning Control Authority. Super JASS will continue to evolve as changes in detailing are revolutionized.

TRAINING AND ADMINISTRATION OF RESERVES

### Wooden Ships and Iron Men

Though "wood" has been replaced with fiberglass and "men" are now referred to as Sailors, the long time-honored phrase "Wooden ships and Iron men" rings true yet today. It best describes those men and women stationed aboard Mine Countermeasure and Mine Hunting ships at Ingleside, Texas.

Located about 20 minutes from Downtown Corpus Christi, Naval Station Ingleside is home to some of the most enriching duty one can hope for. Life onboard an MCM or MHC may not be glam-

orous, but it is extremely rewarding. These smaller ships provide exceptional opportunity for an individual to learn more about their rating, to qualify at unique watchstations, and most importantly develop as strong and professional Sailors! With both sea and shore opportunities available, it is not uncommon for a Sailor to report to Ingleside, then desire a subsequent tour at Ingleside.

One of the biggest drawing points is that Ingleside provides for a quality family life. Local schools are some of the finest in the state and housing is very affordable. Government housing is readily available with even more new housing in the works. The South

Bend of Texas is located two hours South of San Antonio, three hours Southwest of Houston, two hours from the Mexican border, and provides some of the finest out-

door recreation one can get. Best of all the weather is beautiful. So, if you are a BM/DC/EM/EN/ET/DK/HT/IC/IT/MR/MS/PN/SK/YN and ready to step up to take that

special billet that will make you one of the best, come to Ingleside and join our fine community. You can only leave here a better Sailor!
